FLEET & COMMERCIAL DIVISION
YEAR END SALES EVENT IS ON NOW****TAKE ADVANTAGE OF FLEET & COMMERCIAL
TAX DEDUCTIONS UP TO \$500,000***

*On select vehicles; Section 179 IRS Tax Code (Scheduled to expire 12/31/2013.)

Dear Chevy Customer,

Big tax breaks for many buyers of commercial vehicles are scheduled to expire at year end, and the tax breaks available can mean first-year depreciation of as much as \$46,000 on a \$60,000 heavy-duty pickup if a customer takes delivery before Dec. 31. The extra depreciation can reduce business tax bills by lowering taxable income. The deduction under Section 179 of the federal tax code applies to businesses that buy or lease \$2 million or less worth of equipment in 2013. Most vehicles of more than 6,000 pounds that are used for business are eligible for 100 percent of the depreciation. But any vehicle used for commercial purposes can qualify for some benefits. Check with your tax accountant for tax advice and more information.

Please call 855-836-7256 with any questions or to schedule a test drive.
